**Catholic Schools Collection
2nd Collection Today**

Today's second collection supports the *Champions of Catholic Education Fund* which is dedicated to helping more families afford the cost of Catholic education. Our Catholic schools are committed to educating the whole child by providing programs and services to enrich the academic platform and support the spiritual development of the student in family life, friendships and as a member of society. Our goal is to make our academically excellent, Catholic education accessible to all students. The funds collected during the second collection today, for the *Champions of Catholic Education Fund*, will help provide tuition support to families who are unable to afford tuition, but are committed to keeping their children in a Catholic school. Thank you for your generosity.

A Space for the Little Ones

There is a crying room for babies and young children and their parents available to those who choose to use it. Families with infants or small children can hear the prayers of the Mass and follow the actions of the priest at the altar.

There is a restroom, complete with changing table, located within the crying room. Ask an usher for directions. Please stay for the entire Mass.

Welcome

No matter where you are from, what you do, what your current family, marital or life situation...

No matter your personal history, age, background, race or political affiliation...

No matter your religion or self-perceived relationship with God or the Church...

NAMES ON THE SICK LIST

Our list of ill parishioners or those in crisis situations is lengthy. Many names have remained on this list for years. If the reason your name was placed on this list still exists, by all means we will continue to pray for your intentions and ask all of our parishioners to pray for you. If however you have regained good health or resolved your crisis, please let us know. We appreciate your assistance in keeping this list current.
